GRAND KNIGHTS NOTES

Greetings,

June means the start of summer and the end of the fraternal year. Nominations for council officers for the fraternal year starting July 1st, were made this past Monday. The slate of officers is listed separately in the Clipper. The election of officers will be held at the June 1st council meeting with installation at the June 15th meeting. Our charity campaign topped 1,100 ticket sales this year, which was on a par with last years campaign. Thanks to D.K. Steve Kayatin for this effort. Our measure up effort resulted in a significant collection for Allen County Retarded Citizens. Please have a safe summer and keep in touch with your club and council.

Fraternally Yours,
Larry Huffman

We hope you stop out and enjoy the summer band series starting June 5th. We have a great list of bands scheduled. You can enjoy dinner on the patio as well. We had a good night for comedy on May 16th, as usual Mike put on a great show.

To all of our members who have called in for reservations "THANK YOU". It is extremely helpful to be able to prepare your table and alert the kitchen staff. Please continue to give us a call if you are coming with 8 or more guests.

KNIGHTS OF COLUMBUS MEN'S BASKETBALL

The Knights of Columbus Men's basketball team traveled to Columbus to compete for their 4th title in five years. Their first game was against a hot shooting team from Russia. Pat Stolly was a key factor during that game by hitting some big three pointers. In the semi-finals, team Lima defeated team Kalida. Adam Stolly was key factor, controlling the ball and knocking down some big shots along with Travis Rockey hitting some key free throws down the stretch. It was a hard fought game between two friendly rivals that played in the finals five years ago. In the Championship game, team Lima matched up with Ottawa's more experienced team. Frank Kill dominated early on in the game by controlling the boards and getting some easy buckets inside. Great defenses came from Chas Quatman and Pat Stolly. It was a great team effort from team Lima. Three out of the last five years have been matched up with team Lima and team Ottawa for the Championship, so there was alot on the line here. These are two friendly rivals who have a great deal of respect for one another. Team Lima was victorious over Ottawa down the stretch and walking away with the Championship trophy making it their 4th Championship trophy in five years. Adam Stolly picked up all tournament honors making it five years in a row for Adam Stolly on the all tournament team. While Frank Kill was named MVP for the tournament, there were many members of the team that played a valuable role for the team to be **VICTORIOUS**. Members of the team were Matt Quatman, Chas Quatman, Ben Quatman, Adam Stolly, Pat Stolly, Ryan Rettig, Travis Rockey, Jason Stump, Frank Kill, and Kolby Harruff.
